

**What is Katana Inu?**

A Deflationary Token on Ethereum with a PC-Game Interface and an Innovative NFT Ecosystem, with 4% Ethereum Reward to Holders

**Who are the Team Members?**

A Group from Space that has come together - 15 Team Members from all over Europe, that has already accompanied many Projects together and is well-rehearsed.

**There is no Sell or Buy Limit?**

There is no buy and sell limit you can buy and sell on dex and cex that \$kata is available on.

**Can we do Katana Staking?**

Yes. Staking is live here: <https://staking.katanainu.com>

**Where can we see the whitepaper?**

<https://katanainu.com/katanainuwhitepaper.pdf>

**When will the game be released?**

Beta version will be launched Q4 2022, and Full game Q1 2023.

**Will the game launch on different platforms?**

Yes. After PC version is finished, we will start working on mobile version and other platformers like Playstation and Xbox.

**What is an NFT?**

An NFT is a "Non-Fungible Token". Here is a great glossary explaining what NFT's and other crypto terms mean: <https://coinmarketcap.com/alexandria/glossary/non-fungible-token>

**Where can players buy and sell NFTs?**

Buying & selling can be done on our marketplace, but there is also other possibilities like Opensea or Looksrare.

**Who can people contact for promotions, AMAs, proposals?**

People can reach us on our socials, but for business proposals it would be best to write to fill the form provided on the website.

**Where can I buy \$KATA tokens?**

Best way would be on Pancakeswap or Uniswap with Metamask wallet. We are big supporters of keeping tokens in a non-custodial wallet. Token is also listed on plenty of Centralised Exchanges like Hotbit, Probit, MEXC Global, Bitmart, Digifinex.

**Which blockchain is the game being developed on?**

The game is on Binance Smart Chain.

**Will Katana Inu be pay to win?**

Absolutely NOT. We are against pay to win systems.

**What is your vision for the project?**

For our game to become the biggest competitive P2E game. For our marketplace to become one-stop solution for Game-Fi.

**Where can we learn more about Katana Inu?**

All information can be found on the website, but if you want help directly feel free to join our discord community.

**What do I need to start earning?**

X amount of tokens and 2D NFT. 3D skins will act as earning multiplier, but are not necessary.

**Utility of 2D NFTs?**

There is many!! Read this section carefully to learn more: [Link to 2D utility explanation on website here](#)

**Utility of 3D NFTs?**

Except for the cosmetics, different rarity of skins will give different in-game ranking points. Ranking points are tied to user profile and non-transferable

**What is The Forge?**

Forge is the only way to craft immortal skins which will ONLY be available by forging. In-depth information can be found here: [Link](#)

**Can I play the game without NFTs?**

Yes, game is free to play, but earning skins will be limited, and you will not be able to earn tokens and participate in tournaments.

**How can I earn in the game?**

You will be able to earn NFTs and tokens. NFTs will be awarded with different in-game mechanics like solving quests, airdrops, unlocking battle pass skins as you level up etc. Tokens will be earned through tournaments, and through ranking on the leaderboard.

**How does the leaderboard work?**

Rarity of in-game NFTs will affect how much you can earn. Higher rarity NFTs = Higher multiplier of ranking points Higher ranking = more token rewards Leaderboard will have daily, weekly, monthly, and quaterly winners. Users will be able to claim rewards whenever they want.

**Are there any guilds participating in Katana Inu?**

Yes, we partnered with many guilds which will play the game competitively!

**Will you organize tournaments?**

Yes, we will organize tournaments ourselves, and many of our partners and sponsors will organize them as well.

**Who is the team behind Katana Inu?**

The Katana Inu team is international and has many team members with extensive Web2 & Web3 experience. Full list can be found here: 'Link'

**What differentiates you from the competition?**

We are proud to be working on a game that is not only play to earn, but is also really FUN! Check it out yourself!
